Are you the Data Protection Lead for your organisation and want to know how to train or raise awareness about GDPR amongst your colleagues more effectively?

This course will enable you to:

- Ensure you are up to date about the data protection legislation;
- Understand organisational barriers to training staff about data protection and how these can be overcome;
- Learn how to communicate complex issues about data protection;
- Develop your own techniques to help you train your staff;
- Learn from Naomi Korn about how she develops and delivers PowerPoint free interactive training.

Naomi Korn Associates is one of the UK's leading management consultancies specialising in copyright, licensing and data protection.
