

ANNUAL SUPPORT

Naomi Korn Associates is one of the UK's leading management consultancies specialising in copyright, data protection and licensing. The team brings together a range of world-renown specialists who have the commercial, technical and legal expertise to support your compliance and long-term sustainability.

The Data Protection and/ or Copyright Assistant

The most cost effective way to get year-round support is through our Assistant Packages. We can provide operational and strategic advice by email or phone for organisations of any size and all staff.
